

**EXTREME WEED CONTROL IS READY TO USE
AND NON - SELECTIVE FOR THE CONTROL OF
WEEDS AND UNDESIRED VEGETATION.**

Extreme Weed Control is all natural and vinegar based. You can use it with confidence because there is no residual effect. This product may be used in areas where new seeds or transplants are planted. However, do not apply to any vegetation that you want to keep!

DIRECTIONS

Shake well before use. Use undiluted product with spray bottle or hand sprayer. Apply directly to the leaf surface of undesirable plants. This product is most effective when applied on a sunny, warm day. To avoid overspray and drift damage to desirable plants, use on a day that is not windy. Repeat applications as necessary. If Extreme Weed Control gets on patios, sidewalks or other hardscape, wash with water immediately to avoid staining or etching.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN. This product is not for human consumption. This product is very acidic and can cause eye and skin irritation. Should this product come in contact with your skin or eyes, wash thoroughly with water. **ALWAYS WALK OR FACE DOWN WIND (AVOID INHALATION) WHEN APPLYING THIS PRODUCT.**

Ingredients:

Active Ingredient: 10% White Distilled Vinegar
& surfactant (to help vinegar bind to plant leaves).
